Dear H.E. Ambassador / Embassy of the Hellenic Republic in Libya,

Greetings,

The Higher Committee of the 18th Libya International Healthcare Forum & Exhibition, in cooperation with the Libyan Ministry of Health and with the support of the Government of National Unity, is honored to invite your esteemed Embassy to officially participate in this distinguished international event, which serves as one of Libya's leading platforms for healthcare development, international cooperation, knowledge exchange, investment promotion, and the advancement of medical innovation and modern healthcare technologies.

In this context, we are pleased to invite your esteemed Embassy to participate in:

The 18th Libya International Healthcare Forum & Exhibition
14-17 September 2026
Tripoli International Fairground - Tripoli, Libya

Recognizing the important role that your Embassy plays in strengthening bilateral relations and promoting cooperation between our two countries, your participation would provide an excellent opportunity to enhance international healthcare collaboration, foster partnerships between healthcare institutions, universities, research centers, and specialized companies, and encourage the exchange of expertise and best practices in line with the latest global developments in healthcare and medical innovation.

In recognition of the valuable contribution of diplomatic missions in promoting scientific, economic, and investment cooperation, we look forward to your participation through an official national pavilion showcasing your country's achievements, healthcare institutions, medical technologies, investment opportunities, and innovative healthcare initiatives. We would also highly appreciate your support in encouraging relevant public and private sector organizations, healthcare institutions, universities, and companies from your country to participate in the exhibition and its accompanying activities.

Furthermore, we would be honored to welcome your Embassy as an **International Partner** of this prestigious event, providing an exceptional platform to strengthen your institutional presence, highlight your country's commitment to international healthcare cooperation, and further deepen bilateral relations with Libya in the fields of healthcare, investment, scientific research, and innovation.

We sincerely look forward to welcoming your esteemed Embassy to this important international event, contributing to its success while reinforcing the strong bonds of friendship and cooperation between our two countries and supporting sustainable healthcare development for the benefit of all.
